

University of Southern Queensland

1 Introduction

The University of Southern Queensland ([USQ](#)) is Australia's leading regional university. With a strong focus on research, teaching and the student experience, we provide high-quality flexible programs and produce Australia's highest paid graduates¹.

Our students benefit from flexible options of on-campus studies, delivered across three campuses in Queensland, Australia, online and multimodal study options and through trusted national and international education partners. USQ is ranked in the top 2% of universities worldwide², and awarded as a QS 5 Star rated university³. Our graduates consistently rank highest in Australia for graduate employment and graduate starting salaries¹.

2 About

USQ has become a leading Australian multi-campus teaching and research institution, offering a comprehensive range of undergraduate, postgraduate and research training programs. With cutting-edge facilities, a relatively low cost of living, to major tourist destinations, students can make the most of their studies in Australia with us.

Our three campuses are located in Southeast Queensland. [USQ Toowoomba](#) is equipped with a wide range of teaching and research facilities with engaging student support services, including an award-winning library; sports and recreational facilities; 24/7 computer labs; wireless internet throughout the campus; a bank and post office; a health centre; Japanese and native botanic gardens; on-campus accommodation and other recreational opportunities.

[USQ Springfield](#) campus provides a student-focussed educational environment with the latest in program delivery and technology. With high-quality facilities such as a new engineering research facility, digital production and performance hub, and a world-class Boeing 737-800 flight simulator facility.

Home to USQ's School of Health and Wellbeing, [USQ Ipswich](#) includes custom-built paramedical training facilities and clinical nursing laboratories, award-winning library with a living rainforest hosted inside, as well as a local café and a gym. USQ has been part of the Ipswich community since 2006, and we now have over 1000 students on campus currently studying Human Services, Nursing, Midwifery, Paramedicine, Psychology, Sport and Exercise, and Law & Criminology.

For over 40 years, we've been providing flexible study options and delivering the highest quality degrees to thousands of students. We are an experts in the digital learning and [online](#) study student experience. With over 100 courses available online, students have the opportunity to choose where, when and how they study.
